Take the romance of the Mediterranean, blend it with the style and seamless service of Louis Hotels and you have the perfect combination for one of the most memorable days a couple could wish for! We aspire that our wedding website will provide comprehensive information regarding accommodation for the couple and their guests, venues for reception and meals, banqueting details, room décor, transportation, entertainment, photography, flower arrangements and even hair styling and beauty treatments for the finishing touches...

If you need more information please do not hesitate to contact us. [Click here for the enquiry form](#)
